USE OF THE ALBANY LEISURE AND AQUATIC CENTRE

Dear Boarding Parent

Your child has requested the opportunity to access the Albany Leisure and Aquatic Centre (ALAC) for the purpose of swimming laps in the pool. Great Southern Grammar is seeking your consent for us to initiate this.

Before giving your consent, we would like to draw your attention to the following:

- Designated lap swimming lanes are set aside for people to use for sessions to improve fitness or for the recovery from injury.
- Children 11 years of age or older do NOT require adult supervision at the pool.
- A school student will be treated as a paying member of the general public and therefore will come under the ‘duty of care’ of the ALAC lifesavers.
- Boarding staff will be responsible for the drop off and pick up of your child but we will NOT be supervising him/her during their swimming activity.
- The number of our boarding students attending the laps training will be restricted to no more than three students at any one time.
- Students attending are not to use other pools or parts of any pool either before or after their lap session.

Parent/Guardian Consent to use the Albany Leisure and Aquatic Centre Pool

I/We give permission for our child _____________________________ (full name of child) to attend the Albany Leisure and Aquatic Centre for the sole purpose of swimming laps in the designated lanes, on any given day as required.

I/We understand that there will NOT be a boarding staff member supervising my child and that the duty of care becomes the responsibility of the ALAC lifesaving staff on duty. We are also satisfied that our child’s swimming ability is of an appropriate level for this activity.
