PIPE BAND APPLICATION

At Great Southern Grammar we offer students the unique opportunity of joining our Pipe Band. Students in Year 6, 7 and 8 are offered the chance to learn either the bagpipes or the marching drums. Lessons occur during school time and are rotated each term to ensure that students do not miss the same class for more than a term.

There is no charge for learning the bagpipes or drums.

When students have reached an appropriate level of development on either the bagpipes or the drums they are invited to join the Pipe Band. At this point they will receive their full Pipe Band uniform of kilt, spats, hose-tops, sporran, belt and buckle. Students are required to look immaculate when representing the Pipe Band and to look after their uniform.

Members must continue to have weekly lessons to remain in the Pipe Band. There is an expectation from the school that students will remain committed members of the Pipe Band throughout their school life at GSG.

The Pipe Band rehearses weekly and all members are required to attend each rehearsal and to make themselves available for all performances, some of which take place out of school hours.

Student’s Name: ___________________________ Year Level: ________

Instrument: ___________________________ (Bagpipe or Drums)

I ___________________________ (Parent/Guardian) am aware that in completing this form I am applying for a place for pipe Band lessons for my child. If a place is available, my child will be enrolled for Term ________ 20____.
